For example, when you sell Securities, any cash proceeds from those sales will only be available to withdraw once those trades have settled (typically, 2-3 business days after the date of your trade execution). We may also reserve some of your Available Funds for orders you have submitted (e.g. limit orders).

“Custodian” means a bank or other third party appointed by us from time to time, to hold our customers’ Available Funds or Securities that they have purchased through our Services. “CySEC” means Cyprus Securities and Exchange Commission.

“Exchange Traded Products” or **“ETPs”** means are types of securities that track underlying security, index, or financial instrument. ETPs trade on exchanges similar to stocks. The price of ETPs fluctuates from day-to-day and intraday. The share price of ETPs come from the underlying investments that they track.

“Instructions” means any instruction that we receive from you or from your investing.one Account, through such means as we may from time to time permit, in which you request us to perform certain activities with respect to your Tradeplace Account and/or the Services, including (by way of example) an instruction to buy or sell a Security, or an instruction to transfer some of your Available Funds to your Nominated Bank Account.

- You will not use your Account on behalf of any third party and you agree and accept that your Account and any assets thereon may be frozen or blocked at the Company's sole discretion to the extent any such assets are held with, transferred or delivered to, us on behalf of a third party;
- All remittances in your Account result from bona fide economic activity which have been duly reported to the relevant tax authorities and have not been obtained as a result of activities related with Money Laundering.

Where after the assessment of your knowledge and experience and the completion of the economic profile and the onboarding procedure but before completion of the full KYC process you deposit any funds to us (up to EUR 2,000 in total), we will terminate our business relationship with you if any of the following occurs: (a) as a result of our KYC process we cannot or do not wish, at our discretion, to provide investment services to you, or (b) we have been unable to complete the KYC process within 15 Business Day of receipt of the funds from you.

In case you do not fully verify your account, as per point (b) above, we will return to you all available funds you may have in your account and terminate our business relationship with you. 5.2. We offer services in respect to Transferable Securities (Securities) and Exchange Traded Products (ETPs) as it is specified in our License and as appropriate for the client.

5.3. The Securities that can be traded using our services may change from time to time. Currently, the only Securities that can be traded through our services are shares in listed companies and listed ETPs on certain stock exchanges. We may, from time to time, add to or remove from our services, certain stock exchanges, specific Securities and/or types of Securities, and/or impose restrictions or limitations on certain Securities and/or volumes of Securities. This means the Securities that you will be able to trade using our Services may change over time. We do not guarantee that any specific Securities, types of Securities or stock exchanges that may be available at any given point in time will always remain available or accessible through our Services. If we remove a Security from our Services, it will mean that you will no longer be able to issue buy Instructions for that Security through the Services. We will, however, unless we are prevented from doing so (including where trading in that Security has been suspended, or where we have not yet received that Security due to a corporate action still being processed by market counterparties or financial market infrastructure providers) allow you to issue sell Instructions in relation to any of that Security that you hold through our Services.

5.4. We do not, as part of our Service, hold or offer to hold any share certificates or similar instruments.

5.5. The Services that we offer are what is known as “execution-only” services. That means, we will (subject to the remainder of this Agreement) execute your Instructions without investigating or advising on the suitability or otherwise of the investment or your Instructions.

5.6. We do not provide or offer any investment or other advice, including advice on the suitability of any particular investment or investment strategy.

5.7. You agree that, by using our Services, you are responsible for your own investment decisions (i.e., the decision to buy, sell, withdraw monies, etc.) and investment strategy and that you have sufficient knowledge and experience to make those decisions, considering the risks associated with investments generally or a particular nature. If you are unsure of any investment or investment decision, you should seek the services of a qualified and registered financial adviser before you make the investment or decision.

5.8. Subject to you having sufficient available funds and the terms of this Agreement, we will provide you with the ability to buy and sell certain types of Securities through the use of our Online Facility, and we will arrange for those Securities to be held for you by our chosen custodians or sub-custodians from time to time. We will also arrange for your available funds to be held for you by our chosen custodians. We refer to these as the "Services" that we will provide to you.

5.9. You understand that, further to the provisions set out herein, all Services and Transactions shall be subject to:

- i. 5.10. This Agreement will be subject to any changes or amendments made to the Applicable Regulations or Market Rules by any governmental authority, self-regulatory organization or trading venue. No transaction or any other activity will be executed if it is contrary to the Applicable Regulations or Market Rules or that would result in any liability by us to the terms therein. You understand and agree that in no event we shall be obliged to take or refrain from taking any action, which we believe would breach Applicable Regulations or Market Rules. If any of the conditions offered to you, change during your trading in a manner that will affect in any way your open positions we retain the absolute right to close such positions even without notifying you.

applicable, to your account and the transactions and Services you receive. You authorize the Company automatically to debit your account for any such commissions, charges, fees and taxes. Additional charges may also be incurred by you in the case of delayed or failed settlement of a transaction. Any such amounts will be your responsibility and where appropriate will be deducted from your account.

5.12. You understand that provided we comply with our conflict of interest obligations, we will not be required to assess whether any financial instrument or Service is suitable for you and you will not therefore benefit from the protections, which would otherwise be afforded under relevant conduct of business rules applicable to us where the Services provided or offered at your request consist exclusively of execution or reception and transmission of your orders in the following financial instruments:

- i. shares admitted to trading on a regulated market or in an equivalent third-country market, or on a multilateral trading facility;
- ii. bonds or other forms of securitized debt admitted to trading on a regulated market or on an equivalent third country market, or on a multilateral trading facility;
- iii. other ETPs.

6. Provision of services in relation to listed shares

6.1. Corporate Actions

By accepting this Agreement, you agree and acknowledge that we are not held responsible to notify you of any corporate actions, nor for failing to exercise any of your rights in connection with a corporate action (such as dividends rights issue, bonus, share split, takeover, merger), unless we have explicitly agreed otherwise in writing or if required by Governing Legislation.

6.2. Market Abuse

The Client agrees that they will not knowingly place and have not placed a Transaction that contravenes any legislation or other law or regulations in relation to insider dealing and market manipulation. In this respect, the Client agrees not to behave and use our systems and platforms in an abusive manner which amounts to market abuse. Such practices may include, but not limited to, insider dealing and misuse of information or market manipulation techniques. Market abuse is defined under the Market Abuse Law of 2016 (i.e. L.102(I)/2016). Further information can be obtained from the CySEC's website at www.cysec.gov.cy.

If any abusive trading behavior or techniques are identified within Clients' trading account, the Company reserves the right to: (i) restrict or delay Client's execution and/or access to the Trading Systems; (ii) submit a suspicious transaction and order report to CySEC and/or (iii) terminate the account immediately pursuant to the provisions of clause 29 of this Agreement.

6.3. Transaction Reporting

In accordance with the Markets in Financial Instruments Regulation (MiFIR), Regulation (EU) No 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Regulation (EU) No 648/2012, we are obliged to report transactions on financial instruments that are admitted for Trading on a Trading Venue ("ToTV") or for which a request for admission to trading has been made, financial instruments where the underlying is a financial instrument ToTV; and financial instruments where the underlying is an index or a basket composed of financial instruments ToTV.

In this respect, you are irrevocably authorizing us to report all of your reportable transactions to CySEC. For the purposes of facilitating Transaction Reporting, you should provide us, among other, with the following supporting documentation, in an acceptable by us format:

Natural Person: Depending on the country of your residence, you should provide us with such supporting documentation as required by the Annex II of the Delegated Regulation (EU) 2017/590 regarding national client identifiers for

natural persons to be used in transaction reports, including but not limited to the passport number or identity card number or concatenation (CONCAT) number.

Legal Person: You should provide us with the Legal Entity Identifier (“LEI”), the 20-digit, alphanumeric code that enables clear and unique identification of legal entities participating in financial transactions. It is emphasized that We will not be in a position to provide a service triggering the obligation for us to submit a transaction report for a transaction entered into on your behalf, prior obtaining the LEI from your side. Failure to renew your LEI on an annual basis will result in the termination of this Agreement, in accordance with the provisions of Clause 29.

You should also provide us with any additional information and/or supporting documentation that may be requested from time to time, required under MiFIR or any other applicable laws and regulations, in order to comply with our reporting obligation.

In case of refusal or failure to provide us with the required information and/or supporting documentation, we have the absolute right to suspend your trading and/or to reject your account opening application and/or to close your account and to terminate this Agreement in accordance with the provisions of Clause 29.

6.4. Representation at Shareholder Meetings

No voting rights will be granted to clients.

7. Custodians

7.1. Securities which are held by us on your behalf will be registered: (a) in the name of the Company, as your custodian or (b) a nominee other than the Company, including a sub-custodian or a recognized depository clearing organization. Your ownership of your financial instruments will be reflected in the Company’s records. We will exercise reasonable skill and care in the selection, appointment and periodic review of sub-custodians but we are not liable for their acts, omissions, insolvency or dissolution.

7.2. Your Instruments will be registered in the same name as those of other clients (pooled together with other clients' Instruments). If we or our third-party nominee were to become insolvent there may be delays in identifying individual assets, and possibly an increased risk of loss if there should be a shortfall because additional time will be needed to identify the assets held for specific clients.

7.3. You remain the beneficial owner of these instruments and money that we hold on your behalf and agree that you shall remain the beneficial owner, unless you inform us otherwise in the case you wish to alienate yourself from these instruments and money.

7.4. You may not be entitled to any interest in respect of instruments and/or money held by us or any third party as custodian and any interest may be retained by us. You may be subject to certain fees and commissions.

7.5. We are committed to maintain adequate organizational arrangements to minimize the risk of misuse, fraud, poor administration, inadequate recordkeeping or negligence in respect of your Securities. We keep such records and accounts as are necessary to enable us at any time and without delay to distinguish securities held for one client from those held for any other client, and from our own assets. We maintain our records and accounts in a way that ensures their accuracy, and in particular their correspondence to your Transferable Securities. We conduct reconciliations between our internal accounts and those of any third parties with which your Transferable Securities are held.

7.6. We will take all necessary steps to ensure that any client's financial instruments deposited with a third party, are identifiable separately from the financial instruments belonging to us and from financial instruments belonging to that third party, by means of differently titled accounts on the books of the third party or by other equivalent measures that achieve the same level of protection.

8. Orders, transactions execution

8.1. We owe you a duty of best execution. Therefore, when giving effect to your trading instructions and executing Transactions on your behalf, we will comply with our Execution Policy incorporated herein by reference and published on investing.one to which you herewith expressly consent.

8.2. You understand and agree that all trading instructions shall be given through the **Online Facility** or to our authorized contact details. We will provide you with our authorized contact details in writing and will promptly update you about any changes.

8.3. We will execute your trading instructions as soon as practicable after we receive them during market trading hours. We will execute these instructions through a regulated market but we may, unless contrary to Applicable Regulations, trade outside a regulated market or other trading venue, where we reasonably believe this is necessary to achieve best execution, and you hereby expressly consent to us executing your orders and instructions outside of a trading venue and agree that whenever you place an order or trading instruction with us, we shall be entitled to select in our sole and absolute discretion, the venue for executing your order or instructions.

8.4. If we receive trading instructions outside market trading hours, we will execute them at the earliest practicable opportunity following the start of trading hours on the following business day (unless the order is time limited and has expired), although we may not necessarily be able to obtain the opening market price.

8.5. You understand that unless otherwise expressly agreed in writing, we will not effect any order or instruction where this would result in an obligation to deposit into any of your accounts with us any additional cash or securities, following the successful execution of such order or instruction, in order to properly settle the relevant Transaction. You understand and agree that no trading instruction, when executed, or being executed, can be reversed/canceled

without our express consent or if it has been irrevocable against the relevant trading or settlement system. You further agree that we shall have the right to set limits to any Transaction, which you may carry out with or through us at any time.

8.6. You agree that we may determine in our absolute discretion whether we will effect any Transaction for you as principal, as matched principal, as agent or partly as principal, partly as matched principal and partly as agent or in any combination thereof. You agree that we may effect a Transaction on your behalf and at your expense but in our name.

8.7. In order to give effect to trading instructions, we may transmit your order to a venue, instruct a broker or other intermediary selected by us who may be one of our affiliates. We undertake to exercise all due care, skill and diligence in the selection, appointment and supervision of any venue, broker or intermediary we choose to engage. You acknowledge that such venues, brokers or other intermediaries' activities may be governed by other laws, rules and/or standards and these may not be equivalent to those in the jurisdiction where we provide Services to you. We will exercise reasonable endeavors to agree with such brokers or other intermediaries such terms that are, in our reasonable opinion, as close as possible to best practice in the relevant markets. We also accept full liability for default by a broker, which is one of our affiliates. In these Terms, affiliate means in relation to us, any entity that we control, directly or indirectly, any entity that controls us, directly or indirectly, or any entity directly or indirectly under common control with us.

8.8. We may aggregate any of your order(s) with an order of any other client and/or our affiliate. Aggregation may operate on some occasions to your disadvantage and on other occasions to your advantage. We will not carry out an order or a Transaction for our own account in aggregation with your order if it is likely that the aggregation will work overall to your disadvantage. We will allocate the proceeds of aggregated orders among the participating clients in a manner, which we believe to be fair and equitable. If the combined order is not executed at the same price we may average the prices paid or received and debit or credit you with the average net price. If we have aggregated Transactions for own account with one or more of your orders we will not allocate the related trades in a way that is detrimental to you. If we aggregate your order with a Transaction for

our own account and the aggregated order is partially executed, we will allocate the related trades to you in priority to us.

8.9. Where we reasonably consider it not to be in your best interests or where market conditions render it impracticable to execute an order at once or in a single Transaction, we may execute the order over such period as we deem appropriate and/or may report to you an average price for a series of Transactions so executed instead of the actual price of each Transaction. We may undertake a programmed trade or trades comprising a single Transaction or series of Transactions on your behalf and any such execution of your order will be disclosed to you.

8.10. You understand and agree that any order placed by you shall be subject to our (or any relevant affiliates') pre-trade and post-trade controls all of which may be set or modified in our (or the relevant affiliate's) sole discretion. Any controls imposed by us (or any relevant affiliates) may result from factors including our (or any relevant affiliates') internal policies, guidelines, procedures and/or regulatory requirements or restrictions to which we (or any relevant affiliates) may be subject to or be provided by a third party, or as part of the controls required by a trading venue. Neither we, nor any affiliate shall be responsible for any losses which may arise under the circumstances described in this clause.

8.11. You acknowledge that some trading venues do not support stop orders and if you place a stop order in these markets, we may choose to translate the order into a limit or market order. You agree that we cannot be held liable for any order transformation required to comply with the Market Rules.

8.12. You acknowledge that trading venues and execution brokers operate order filters to keep an orderly market which might result in that orders are paused, cancelled or traded potentially causing slippage from the expected execution price. You agree that we cannot be held liable for any suspension, cancellation or execution price slippage caused by acting to keep an orderly market.

8.13. You agree that in some cases orders may be executed at or after the close of trading. Such orders may be executed at the average price for the security or instrument during a reference period, as calculated by a third-party pricing

service. You agree that we have no control over the methodology used by the third-party pricing service to calculate prices and do not warrant the accuracy of those prices and that we cannot be held liable for suspension or cancellation of orders caused by a significant disruption in or premature close of trading in the market on which the security or other financial instrument is traded or where the calculation of prices by a third-party pricing service is clearly erroneous.

8.14. Unless otherwise agreed, open orders are specific and will remain in effect until executed or cancelled (including where cancelled by a trading venue). We will endeavor to ask you to check the status of your open positions before placing new orders, however, an open order will not be cancelled automatically by an identical or different order or Transaction otherwise executed for your account in the securities concerned. It is your responsibility to cancel an open order where a substitute order has been entered. A Transaction resulting from the execution of any such order which you have not cancelled will be reflected in your account. If you are in doubt about the status of your open positions, you may contact our Customer Support at support@investing.one before placing new orders.

8.15. If you experience or suspect any errors with your order, you should contact us immediately. You agree that it is your own responsibility to check if and how the order is traded in the market after order entry.

8.16. You may request information about the status of your order at any time.

8.17. You acknowledge that business on a market operated by a trading venue or an organized market, as well as its required settlement or clearing facility, may from time to time be suspended, restricted, closed or otherwise impeded. Any such action may result in inability of either us or you to enter into or otherwise effect Transactions. We will use reasonable efforts to notify you of any such impediment to the extent that we have actual knowledge of the same at the time of notification. If an intermediate broker or agent, acting at the direction of, or as a result of any such impediment takes any actions which affect a Transaction, then we may take any counteraction which, in our reasonable discretion, will adequately respond to or mitigate the loss. Any action taken by us shall be

binding on you and you will remain solely and fully liable for any and all losses resulting from that impediment directly or indirectly.

8.18. Unless you inform us otherwise, all instructions to sell investments are accepted by us on the understanding that you own the relevant investments. At the time of providing an instruction or placing an order, you must inform us via email in advance if the instruction or order requires us to sell on your behalf investments which you do not own at the time or whether such orders involve a sale in respect of which you have a presently exercisable and unconditional right to vest the relevant financial instruments in the buyer at the time of sale as a result of a securities financing arrangement. You also must provide to us such other information as we may request for the purpose of fulfilling our reporting obligations and otherwise ensuring our compliance with all Applicable Regulations.

8.19. Where we execute a Transaction on your behalf outside a trading venue in respect of shares, depositary receipts, ETPs and other equity-like financial instruments, bonds, structured finance products and derivatives traded on a trading venue, we will make the relevant transaction information (including volume, price and the time that the Transaction was concluded) public as required in accordance with the Applicable Regulations through an approved publication arrangement or trading venue.

8.20. We will comply with our transaction reporting obligations under Applicable Regulations in relation to Transactions executed with you or on your behalf. For us to comply, you agree to promptly deliver to us any information that we may from time-to-time request to enable us to complete and submit transaction reports to the relevant competent authority, which shall include a notification of any Transaction that is a short sale.

8.21. You may request that we provide to you certain data (for example, illustrative pricing, availability, capacity and other matters) with respect to financial instruments, to assist you in arranging transactions with another broker or trading counterparty and we will endeavor to satisfy those requests, unless we consider at our own discretion that satisfying these requests can result in us being put in a detrimental position or a breach of our obligations under the

Applicable Regulations. Notwithstanding the foregoing, where you wish to submit requests for illustrative pricing (and we agree), this will be subject to such separate or additional terms and conditions or agreements as we may require.

Fractional shares orders

8.22. Fractional shares investing allows you to purchase securities in monetary amounts rather than share quantities. The benefits of fractional shares are that it provides extensive diversification for relatively small investments, but you should be aware of the unique features, risks and limitations prior to investing in fractional shares. This is noted in our Risk Disclosure Statement.

8.23. Fractional Order. If you place an Order for a share (which Order is denominated in a certain monetary amount), and that monetary amount is not enough to buy one or more shares, you may only have enough money to acquire a fraction of a share. In order to give effect to your Order, Tradeplace will enter into a Fractional share transaction with you in terms of which the Underlying Reference Instrument will be a percentage of the share specified in your Order.

8.24. Rounding. Tradeplace rounds all fractional holdings to nine decimal places. For all notional based Orders, your transaction will never exceed the order amount. Rounding may also affect your ability to be credited for cash dividends, stock dividends and stock splits. For example, if you own 0.000000002 shares of stock that pays a one cent dividend per-share, we will not credit your cash balance 2 fractions of a cent. In carrying out rounding, we will use reasonable endeavors to get as close as possible to your Order, however, we shall not be liable for any loss or damage suffered or incurred by you arising out of or in connection with such rounding, save to the extent directly attributable to our negligence, fraud, willful default, breach of contract or breach of the applicable regulation.

8.25. Limit orders in fractional shares will also be available.

8.26. Trade Capacity and Execution. Tradeplace will comply in all respects with "best execution" on all orders executed through the Online Facility in line with its Applicable Regulations. Any order greater than one share that includes a

fractional share component might be executed in a mixed capacity. Tradeplace will act in either a principal or matched principal capacity with respect to the fractional share components of the transaction. Orders entered outside of regular trading hours cannot be executed.

8.27. Entitlement. If you hold fractional entitlements, you will have the sole beneficial interest to the entitlement. Any dividend payable to you will be on a pro-rata basis to reflect your fractional entitlement (we will hold these on your behalf in line with the CySEC Regulations).

8.28. Transfer of Fractional Shares. Fractional shares are not transferable. If you close your Account, the fractional shares held in your Account shall be liquidated. Similarly, Fractional shares cannot be put into certificate form and mailed.

9. Instructions

9.1. You or any person notified to us as authorized by you may give us orders and instructions (including standing instructions) concerning any Transaction or proposed Transaction or any other matter including without limitation, to buy, sell, and trade in financial instruments, deliver securities, make payments and otherwise take action or give any third-party instructions in connection with the performance of our obligations under the Terms.

9.2. You shall provide us with a list of individuals who have been authorized, either alone or with others, to act on your behalf in the giving of any orders or instructions and performance of any other acts, discretions or duties under these Terms together with specimens of their signatures if written orders or instructions are to be given. We shall be entitled to rely upon the continued authority of an authorized person until we receive written notice from you to the contrary.

9.3. You will bear all risk of sending instructions to us, even if they are incorrect or do not reflect your requirements. You acknowledge and agree that we may execute your instructions exactly as we have received them and agree that neither Tradeplace nor any of our directors, staff, agents, suppliers or contractors will have any liability, of whatever nature, to you or anyone else for any loss that you may suffer as a result of us executing your Instructions as we have received them. You also acknowledge and agree that whenever we execute an order in accordance with your specific instructions this may result in us being unable to follow our Best Execution Policy for that particular order.

9.4. Any orders and instructions may be given in writing (including by e-mail, electronic platform or other electronic means), unless we inform you that instructions can only be given in a particular way. We have the right, at our absolute discretion and without being obliged to justify such a decision to you, to refuse to take or act under any order or instruction or enter into any particular Transaction. Instructions of any person other than yourself may not bind us including, without limitation, where you are acting as agent or principal. Instructions shall not take effect unless actually received by us.

9.5. You may utilize, directly or indirectly, application or electronic services for placing your orders or instructions with us.

9.6. We shall acknowledge any orders or instructions received from you by acting on them unless we believe that such instructions are conflicting or ambiguous, or not being given by an authorized person, or that such action may not be practicable or might result in a breach of these Terms or any Applicable Regulations, or Market Rules. We shall not be obliged to give or make any other acknowledgement of instructions. We will supply to you information about the status of your instructions upon request and upon execution of your orders we shall provide you with the relevant information on our own initiative as required by the Applicable Regulations.

9.7. We shall be entitled to rely on orders, which we believe in good faith to have been given by a person authorized by you whether or not the authority of such person is then effective and without further enquiry to you in relation to the genuineness, authority or identity of the authorized person. You shall be fully

responsible for any and all acts and omissions of a person who is or who we believe in good faith to be your authorized person.

9.8. We and our agents will record, monitor and retain all telephone conversations and electronic communications with you or your agents, specifically including those that result or may result in Transactions. Such recordings may commence without the provision of a warning tone and you agree that you will take all reasonable steps to inform your employees, officers, representatives and agents that such recording takes place. Our and our agents' records of telephone conversations and electronic communications shall be the sole property of ours and conclusive evidence of any instruction given or conversation recorded. We may retain such records for whatever period may be required as a matter of our internal policies and/or Applicable Regulations, provided that records in respect of investment services and activities relating to the reception, transmission and execution of orders will be kept for a period of five years and, where requested by the competent authority, for a period of up to seven years. The records in respect of investment services and activities relating to the reception, transmission and execution of orders will be available to you upon request during that period, subject to any reasonable charge we may in our sole discretion impose for such access.

9.9. You acknowledge that you shall be solely responsible for ensuring that only you or those persons authorized by you to contact us or receive any information on your behalf have access to designated e-mail box(es) and other means of electronic communication between you and us. You acknowledge that we are neither responsible nor liable to you or any other person for any unauthorized use thereof or any loss sustained in connection therewith or reliance upon or compliance with instructions or other communications received by electronic means as well as inaccuracies, errors or omissions in electronic messages.

9.10. All communications will be deemed to have been received by you where we can demonstrate having sent or transmitted them to the recipient at the correct address.

10. Settlement

10.1. All business transacted between you and us will be carried out in accordance with standard settlement practices, which include the Market Rules of the relevant trading venues, organized markets and exchanges and for off-exchange trading, the standard practices of a relevant home market.

10.2. You are responsible for the due performance of every Transaction which we enter into with or for you and shall be responsible for any Loss (as defined below) we incur as a result of your failure to deliver cash, securities or appropriate settlement instructions to us or to our settlement agent.

10.3. By placing an order, you affirm that you will deliver to us on or before the settlement date all necessary certificates and other documents, including, for the avoidance of doubt, settlement instructions. Where we enter into any transaction or arrangement with you and you designate that your obligations shall be settled against your account with us, you authorize us to effect such settlement without further reference to you. You agree that in that case, your designation to settle against your account will serve as a settlement instruction.

10.4. If, in any Transaction, we deliver financial instruments or funds to you or to your order and, for whatever reason, your obligations are not performed simultaneously with or prior to our obligations, you shall hold on trust for us any such financial instruments or funds you received from us until your own obligations are properly discharged.

10.5. We may in our sole discretion provisionally credit or debit your account on the due date for settlement regardless of the actual settlement of the Transaction. We can, however, in our absolute discretion, reverse any such provisional debit or credit at any time until the obligations under the relevant Transaction are discharged completely. In case of a reversal, we shall not be liable to you in respect of income or any other rights or benefits relating to cash and/or financial instruments, which would have occurred if settlement had taken place on the contractual settlement date.

10.6. You understand that on some securities markets, delivery and payment cannot be made simultaneously. In such markets we shall make delivery or payment at such time and in such manner as provided in Applicable Regulations and/or Market Rules. In that case, you agree to bear the risk that the counterparty to the Transaction may not pay or perform in time or at all.

10.7. Transactions in European Shares are currently settled on a T+2 basis. Most worldwide shares are settled on either a T+2 or a T+3 basis.

11. Foreign exchange

11.1. You understand that a debit balance in one currency cannot be automatically offset against a credit balance in any other currency.

11.2. Without prejudice to clause 11.1 above, where the currency of your account balance is different from the currency of any payment, which may from time to time be due by you or on your behalf, we may (and you hereby instruct and authorize us to) but shall never be obliged to convert cash in your account into the payment currency without prior reference to you.

11.3. You acknowledge and agree that where pursuant to Applicable Regulations concerning currency control any cash or investment gains and losses accruing in your account in a currency other than the original currency of your deposits must be converted back into the original currency through a foreign exchange transaction.

12. Online facility

12.1. To use our Online Facility, you will need to request a username and password (**Access Code**) allocated by us. The use of your Access Code will be deemed by us to be use of the Online Facility by you or someone with your knowledge and consent.

12.2. In relation to the Access Code, you acknowledge and undertake that:

12.2.1. you will be responsible for the confidentiality and use of your Access Code;

12.2.2. you will change your password regularly;

12.2.3. other than with our prior written consent, you will not disclose your Access Code to other persons for any purpose whatsoever;

12.2.4. We may rely on all instructions, orders and other communications entered using your Access Code, and you will be bound by any resulting transaction entered into or expense incurred on your behalf; and

12.2.5. you will immediately notify us on the telephone number provided on our website or by sending an email to support@investing.one if you become aware of the loss, theft or disclosure to any third party or of any unauthorized use of your Access Code.

12.3. You acknowledge that the Online Facility is provided for use only by you or by others you have permitted to use the Online Facility on your behalf.

12.4. If you tell us or we believe that your Access Code is being used without your knowledge by unauthorized persons or has been disclosed by you to other persons without our consent, we may without prior notice suspend or terminate your right to use the Online Facility.

12.5. We shall not be responsible or liable to you for any loss, liability or cost whatsoever arising from any unauthorized use of your Access Code or the Online Facility. You shall remain responsible for and on demand indemnify, protect and hold us harmless from and against (i.e. you will be responsible for and reimburse us on demand for) all losses, liabilities, judgements, suits, actions, proceedings, claims, damages and costs resulting from or arising out of any act or omission by any person using the Online Facility by using your Access Code, whether or not you authorized such use.

12.6. We may at our absolute discretion introduce and require additional levels of user identification and security. We may change our security procedures at any time and we will tell you of any new procedures that apply to you as soon as possible.

12.7. You shall be solely responsible for providing and maintaining any equipment you use to access the Online Facility and for making all appropriate arrangements with any telecommunications suppliers or, where access to the Online Facility is provided through a third-party server, any such third party, necessary in order to obtain access to the Online Facility. Neither we nor any company maintaining, operating, owning, licensing, or providing services to us in connection with the Online Facility (Service Providers) make any representation or warranty as to the availability, utility, suitability or otherwise of the Online Facility or any such equipment or arrangements (i.e., neither we nor any third parties that we use are responsible or liable to you for the same). Since we do not control signal power, its reception or routing via the internet, configuration of your equipment or that of any third party or the reliability of its connection, we will not be responsible for communication failures, distortions or delays when you are accessing the Online Facility via the internet.

12.8. For the avoidance of doubt, we shall have no responsibility or liability to you (whether in contract or in tort, including negligence) for damage (i.e., losses or expenses or anything similar) which you may suffer as a result of transmission errors, technical faults, malfunctions, illegal intervention in network equipment, network overloads, malicious blocking of access by third parties, internet malfunctions, interruptions or other deficiencies on the part of internet service providers. You will be responsible for all orders entered on your behalf via the

Online Facility and you will be fully responsible and liable to us for the settlement of any transaction arising from such use. You acknowledge that access to the Online Facility may be limited or unavailable due to such system errors, and that we reserve the right upon notice to suspend access to the Online Facility for this reason.

12.9. We shall have no responsibility or liability to you in the event that any viruses, worms, software bombs or similar items are introduced into your equipment or systems via the Online Facility, or any software provided by us to you in order to enable you to use the Online Facility, provided that we have taken reasonable steps to prevent any such introduction.

12.10. You will ensure that no computer viruses, worms, software bombs or similar items are introduced into our computer system or network and you will be responsible for and will indemnify us on demand, protect and hold us harmless for any loss that we suffer arising as a result of any such introduction.

12.11. We shall not be responsible or liable to you for any act taken by or on the instruction of a Market, clearing house or regulatory body.

12.12. Internet connectivity delays and price feed errors sometimes create a situation where the prices displayed on the Online Facility do not accurately reflect the prevailing market rates. In the event of such delays and errors, we reserve the right to cancel orders, reverse transactions, close positions and make any necessary corrections or adjustments on the account involved.

12.13. You will not use, or allow the use of, the Online Facility:

12.13.4. to solicit or encourage other internet websites to frame or hypertext link direct to the Online Facility without our prior written consent; or

12.13.5. in any way which is not authorized by us or is otherwise in breach of this Agreement.

12.14. We do not permit the use of the Online Facility for unfair arbitrage activity or otherwise taking advantage of internet delays, using any other manipulative or abusive behaviour (such as the dissemination of false or misleading market information through media, including the internet, or by any other means with the intention of moving the price of a Product or the underlying property or value) which could adversely impact on fair and orderly trading on the Online Facility.

16. Client assets (Funds and Financial Instruments)

Funds:

16.1. The Company treats any funds received by the Client as Client’s Funds in accordance with the provisions of the Applicable Laws and Regulations regarding holding clients’ money. It is noted that funds belonging to the Client that will be used only for trading purposes will be kept in accounts with credit institutions pursuant to the Applicable Rules and Regulations.

16.2. Any money received by us from you will be held in a segregated clients denoted custodian account or with a bank approved by us and will be segregated from our own funds in accordance with the CySEC Rules regarding the safeguarding of client funds. Unless otherwise agreed in writing between us, your funds may be pooled with the funds of other clients in a general omnibus account.

16.3. We will not pay interest to you on any of your money that we hold and by entering into this Agreement you acknowledge that you waive any entitlement to interest on such money under the CySEC Rules or otherwise.

16.4. All due skill, care and diligence will be exercised in the selection, appointment and periodic review of any third party bank with whom your money is placed.

16.5. We may convert amounts in any currency, owed by us to you and amounts owed by you to us, including any profit or loss under any of your open positions with us, to our Base Currency. Such currency conversions will be made at prevailing market rates reasonably available to us, and we are entitled to charge you all commissions and costs incurred by us in making such conversion.

16.6. Where any obligations owing to us from you are due and payable to us, we may cease to treat as client money so much of the money held on your behalf as equals the amount of those obligations in accordance with the CySEC Rules relating to client money. You agree that we may apply that money in or towards satisfaction of all or part of those obligations due and payable to us. For the purposes of this clause 16, any such obligations become immediately due and payable, without notice or demand by us, when incurred by you or on your behalf.

16.7. You agree that we shall be entitled to apply money you hold with us in or towards satisfaction of all or any part of any Liabilities which are due and payable.

16.8. You agree that we may cease to treat your money as client money if there has been no movement on your balance for at least six years. We shall write to you at your last known address informing you of our intention of no longer treating your balance as client money and giving you 28 days to make a claim.

16.9. We will take all the necessary steps to ensure that the clients' funds are safeguarded. Specifically, we will:

- maintain records and accounts enabling us at any time and without delay to distinguish funds held for one client from funds held for any other client and from our own funds;
- maintain records and accounts in a way that ensures their accuracy and in particular their correspondence to the funds held for our clients and that they may be used as an audit trail;
- introduce adequate organizational arrangements to minimize the risk of the loss or diminution of client funds, or of rights in connection with those funds, as a result of misuse of funds, fraud, poor administration, inadequate record-keeping or negligence;
- introduce arrangements to ensure that clients' funds are safeguarded in the case of insolvency;
- appoint a single officer of sufficient skill and authority with specific responsibility for the safeguarding of client funds.

Financial Instruments:

16.10. You instruct us to hold any Investment bought on your behalf until we receive further instructions from you to sell that financial instrument. We will hold Investment on your behalf in accordance with the CySEC's Rules.

16.11. We may be required to share your details (including your email address) and details of your shareholding to the Department of Registrar of Companies and Intellectual Property or registrars.

16.12. In the event that we have not received instructions from you in relation to any of the financial instruments held in your account for a period of at least twelve years (notwithstanding any receipts of dividends or interest or similar items and irrespective of any movement of your account balance) and we are unable to trace you despite having taken reasonable steps to do so, you agree that we may cease to treat your financial instruments as client assets.

16.13. Tradeplace will not facilitate the transfer of financial instruments to another firm. Similarly, any financial instruments held with another firm cannot be transferred to your account with Tradeplace but funds can be transferred instead. In addition, shares cannot be put into certificate form and mailed. Financial

instruments liquidation may result in additional charges imposed by third parties such as, but not limited to, government fees and levies, bank charges, etc.

17. Inactive and dormant accounts

17.1. An account shall be considered as Inactive in the absence of any activity for a period of ninety (90) consecutive days. Remedies include correcting deal entry prices or exit prices according to the correct market rates at the time of transaction. Subject to clause 14, notices and any other communications may be transmitted via the Online Facility, or via email or post, to such address as we or you may from time to time notify to each other in writing. All communications so sent, whether by posting on the Online Facility, mail, email, or otherwise, shall be deemed transmitted and received when posted on the Online Facility, published in the company news section of our website, deposited in the mail, or when received by a transmitting agent.

31. Complaints

If you have any complaint about our performance under the Agreement, you should direct that complaint to our client services department, who will investigate the nature of the complaint to try to resolve it.

The Client is encouraged to contact our Client Services Department through email at complaints@investing.one. The employees of the Customer Support Department are available and committed to provide you with all necessary information and explanation in respect to your queries.

In case you are not fully satisfied with our final decision, you have the right to address your Complaint to CySEC or the Financial Ombudsman of Cyprus or through an Alternative Dispute Resolution Mechanism of the Court System. Further details are available in the relevant Complaints Policy of the Company.

In the event of a dispute, we may use Tradeplace server log files, amongst other things, to help determine the outcome. The server log-file is the most reliable source of information in a case of any dispute. The server log-file has the

absolute priority over other arguments including the client terminal log-file as the client terminal log-file does not register every stage of the execution of the customer's instructions and requests.

We will acknowledge receipt (via email) of your complaint within five (5) business days from the receipt of your complaint and provide you the unique reference number of your complaint. The unique reference number should be used in all your future contact with the Company, the Financial Ombudsman and/or CySEC regarding the specific complaint.

Once we acknowledge receipt of your complaint, we will review it carefully, investigate the circumstances surrounding your complaint and will try to resolve it without undue delay and within the bounds of our mandate. In case the Company is unable to respond within two months, you will be issued a holding response (in writing or other durable medium) where you will be informed of the reason/s for the delay and the period of time necessary to complete the investigation. This period of time cannot exceed three (3) months from the submission of the Complaint.

In case the Client is not fully satisfied with the Company's final decision, the Client has the right to address his/her Complaint to CySEC or the Financial Ombudsman of Cyprus or through an Alternative Dispute Resolution Mechanism of the Court System. Further details in respect to the Company's Complaints Handling Procedure are available in the relevant policy of the Company.

38. Force majeure

38.1. We may, in our reasonable opinion, determine that an emergency or an exceptional market condition exists (a ‘Force Majeure Event’), in which case we will, in due course, inform the CySEC and take reasonable steps to inform you. A Force Majeure Event will include, but is not limited to, the following:

- a. any act, event or occurrence (including without limitation any strike, riot or civil commotion, act of terrorism, war, industrial action, acts and regulations of any governmental or supra national bodies or authorities) that, in our opinion, prevents us from maintaining an orderly market in one or more of the Instruments in respect of which we ordinarily deal in Transactions;
- b. the suspension or closure of any market or the abandonment or failure of any event on which we base, or to which we in any way relate, our quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event;

- c. the occurrence of an excessive movement in the level of any Transaction and/or the Underlying Market or our anticipation (acting reasonably) of the occurrence of such a movement;
- d. any breakdown or failure of transmission, communication or computer facilities, interruption of power supply, or electronic or communications equipment failure;
- e. failure of any relevant supplier, intermediate broker, agent or principal of ours, custodian, sub-custodian, dealer, exchange, clearing house or regulatory or self-regulatory organization, for any reason, to perform its obligations.

38.2. If we determine that a Force Majeure Event exists, we may, at our absolute discretion, without notice and at any time, take one or more of the following steps:

- a. increase your Margin requirements if any;
- b. close all or any of your open Transactions at such Closing Price as we reasonably believe to be appropriate;
- c. suspend or modify the application of all or any of the Terms of this Agreement to the extent that the Force Majeure Event makes it impossible or impracticable for us to comply with the Term or Terms in question; or
- d. alter the Last Dealing Time for a particular Transaction.

38.3. We shall incur no liability whatsoever for any partial or full default of our obligations by reason of any cause or event beyond our reasonable control, including but not limited to a Force Majeure Event.

39. Deposits and withdrawals

39.1. Deposits

Prior the Client entering into any Transaction must proceed with the depositing of funds. The minimum deposit amount which must be standing to the credit of Client's Trading Account is EUR10 or the relevant currency equivalent. Only deposits from an account with a credit institution or through payment service providers are accepted by the Company and credited to the Client's Trading Account. The Company does not accept any cash deposits or deposits from third parties. When the Client transfers money to his/her Account, the time taken for the funds to appear on the relevant Account depends on the method used for transferring such funds.

The Company has the right not to accept funds deposited by the Client and/ or to cancel his/her deposits and remit them back in the following circumstances:

- failure to provide any documents requested by the Company either for client identification purposes or for any other reason, including with respect to verifying the source of wealth;
- if the Company suspects or has concerns that the submitted documents may be false or fake;
- if the Company suspects that Client is involved in illegal or fraudulent activity or is engaged in abusive trading practices;
- if the Company has been informed that Client's credit or debit card (or any other payment method used) has been lost or stolen;
- where the Company considers that will be a chargeback risk;
- where the Company is not able to identify the Client as an original remitter of the funds or where is unable to return the funds to the same source of payment.

In case of cancelled deposits, and if there is not an actual or potential confiscation or freezing of Client's funds by a regulatory supervisory authority on the grounds of money laundering suspicion or for any other legal infringement, Client's funds will be returned to the account that have been initially received from. The Company will process all remittances within one (1) Business Day of

receipt of these requests. Clients shall be aware, however, that the actual time of processing may vary between the payment methods and processing time of any past deposits is not indicative and cannot guarantee that any subsequent deposits would be processed in the similar timeframe.

39.2. Withdrawals

Subject to the terms of this Agreement, the Client has the right to withdraw funds from his/her Trading Account provided that such funds are not being utilized for Margin purposes. We reserve the right to decline a withdrawal request if the request is not in accordance with certain conditions, i.e. margin requirements.

Particularly, the withdrawal of funds is subject to the margin requirements of the Company and is subject to the right of the Company to require additional information or documentation prior to releasing funds from the Client's Trading Account in compliance with the provisions of AML Law. The Client acknowledges that by default, the withdrawal of any portion of the Free Funds will be executed via the same method and to the same source as the one we originally received the funds from. There are certain situations where an exception might be made for a withdrawal to be executed to a payment method different from the one used for a deposit, but those are subject to approval by us. The Client will be required to provide us with all evidence requested by Us that the new payment method is in his/her name.

Once the Client's withdrawal request is approved, it will be processed and sent for execution to the same bank, credit card or other source from which the funds were debited. Note that some banks and credit card companies may take time to process payments especially in currencies where a correspondent bank is involved in the transaction. The Company shall have no liability for delays caused by such third parties. In the event where the Company is not fully satisfied with the documentation provided in relation to the withdrawal request, then it can request for additional documentation and if the request is not satisfied, the Company can reserve the withdrawal request and deposit the funds to the Client's trading Account.

If the Client requests a withdrawal of funds and the Company will not be able to comply with it without closing some part of Client's open positions, then it is noted that it will not comply with the request until the Client has closed sufficient positions to allow him/her to make the withdrawal.

The Client might not be able to withdraw the proceeds of the sale of shares from his/her account unless and until the sale has settled on the settlement date (usually at T+2). Notwithstanding the latter, we may, at our absolute discretion in limited circumstances, after receipt of a request from the Client, allow withdrawal of limited amounts. Proceed of sale of shares held in the Client's Account can be used before the settlement date for the purposes of buying more shares.

The Client consents that whenever he/she confirms a withdrawal, the Company will use a specific payment intermediary or bank to process his/her withdrawal as per the Client's Payment Instruction. The payment intermediary or bank may hold the withdrawal amount while the payment transaction is being processed, which means that the withdrawal amount will no longer be considered Client Money.

The Company shall not be obliged to pay interest to the Client on any funds which the Company holds. The Client waives all rights to interest.

The Client undertakes to inform us every time a card used by him/her to make deposits to his/her Account has been blocked, deactivated or otherwise suspended. Save for cases where a card has expired, we shall not be liable if we should satisfy the Client's withdrawal request by way of paying money back to a card that has been blocked, deactivated or otherwise suspended without the Client's prior notification thereof.

Any credit granted to clients, for the purposes of facilitating the trading activity, shall not be available for withdrawal, unless the actual funds are received in the Company's clients' bank accounts.

If the client decides to withdraw funds that were initially deposited with a payment card, by submitting a chargeback with his/her issuing bank or otherwise, then he/she expressly agrees that we shall have the right to deduct

the respective amounts from his/her Free Funds in relation to any funds that are successfully reversed during the chargeback process.

40. Governing law and jurisdiction

40.2. Each party irrevocably agrees to waive any objection which it may have at any time to the laying of venue of any proceedings brought in the Cyprus courts and agrees not to claim that such proceedings have been brought in an inconvenient forum or that such court does not have jurisdiction over it.

41. Entire agreement and amendments

41.1. This Agreement and any document referred to herein constitutes the entire agreement among the parties hereto and supersedes any and all prior agreements or understandings among the parties with respect to the subject matter hereof.

41.2. The Company may amend this Agreement at any time. Updated versions will be posted on the Company's website, and the Client is responsible for reviewing them periodically. The Company shall provide the Client with notice in advance for material changes that affect clients' rights and obligations. Non-material, administrative, or campaign-specific updates will not trigger a mandatory notification requirement. However, the Client acknowledges that a change which is made to reflect a change of Applicable Regulations or a request

of a supervisory body may, if necessary, take effect immediately. In the event that the Client does not want to accept proposed changes to the User Agreement the Client can request to terminate the Agreement.

41.3. The Company shall have the right to review its costs, fees, charges, found on the Company's website and/or mobile application, from time to time. In the absence of a Force Majeure event, the Company shall be providing the Client with notice on its Website and/or mobile application. Such changes shall be effected on the Website and /or the mobile application and the Client is responsible to check for updates regularly. The Client shall be treated as accepting the change on that date unless, before then, the Client informs the Company that the Client wishes to terminate the Agreement and not accept the change.
